

## **ORS NOMINATING COMMITTEE**

### **Mission/Purpose:**

The Nominating Committee will solicit nominations from the membership and select final nominees for officers of the Orthopaedic Research Society, the Program Committee, Membership Committee, Members-at-Large, Special Projects Committee, Nominating Committee, Professional Liaison Chair, and any other Committee as requested by the President.

### **Charge 1:**

Confirm officer, board, and committee positions for the annual election and invite membership to submit nominations for these positions according to nominations timeline.

### **Charge 2:**

Review all nominations submitted and select two to four nominees for each elected position.

### **Charge 3:**

Ensure that the nominations represent the professional, geographical and demographic diversification of the ORS membership.
