### **NYC Organizing Committee Welcome Reception**

10:00 PM

### **Campfire**

Following the NYC Organizing Committee Welcome Reception, join fellow attendees for networking and socializing around a campfire.

## Monday, November 4

1:00 PM

### **Afternoon Hike – 3.3 Miles**

The ORS Spine Section Membership Committee has organized an afternoon hike that will begin with the Lake Trail and continue with Leavitt Falls Trail. Please meet in the front lobby of the hotel.

*Lake trail (2.1 miles): Completely level and following the shoreline of Skytop Lake, this walk totals 2.1 miles, including back and forth distances between the Lodge and lake. Attached to the trees along the trails are 42 interpretive plaques describing the trees, shrubs, geology and ecology. Scenic vistas open not only to the 75-acre Lake but also to distant views of the Lodge and the rugged cliffs of West Mountain at our resort in Pennsylvania.*

*Leavitt Falls Trail (Advanced - 1.2 miles): This trail descends into a ravine known as Devil's Hole. At several vantage points the beautiful Leavitt Falls can be viewed from both above and below, but great care should be taken due to large blocks of loose boulders and rough, slippery footing. The trail leaves the ravine and crosses a rocky section of forest dominated by huge white ash trees. It then ascends to the Golf Course, where it turns left and loops back toward the stream and footbridge. This trail should not be attempted in wet or icy conditions.*

4:00 PM

### **Ice Breaker Bingo**

Organized by the ORS Spine Section Membership Committee, complete your bingo card as you walk through the posters and talk to presenters.

9:00 PM

### **Networking Reception**

## Tuesday, November 5
