

Saturday, February 13, 2021 Part 1

8:15 AM	Welcome
8:20 AM - 8:50 AM	<i>Digging deep: Fibroblasts and adipocyte in tissue repair</i> Valerie Horsley, PhD, Yale University
8:50 AM - 9:05 AM	Panel Discussion: <i>Application of Transcriptomics to Tendon Science</i> Tyler Harvey, PhD, Prime Medicine, Inc. Sarah Snelling, PhD , Oxford University
9:05 AM - 9:20 AM	Question and Answer Session
9:20 AM - 9:45 AM	Poster Pitch Session <i>Pre-recorded session featuring 7 poster pitch presentations with live Q&A with pitch participants.</i>
	<i>Tissue-on-chip (toc) Platform For Modeling Inflammation, Fibrosis And Cell-cycle Regulation In Fibrovascular Tendon Healing</i> Rahul Alenchery , University of Rochester
	<i>Neonatal Tregs Are Necessary And Sufficient For Functional Tendon Regeneration</i> Varun Arvind, BS , Icahn School of Medicine at Mount Sinai
	<i>Quantitative Proteomic Landscape Of Early Healing Biomarkers After Achilles Tendon Rupture</i> Junyu Chen, MD, Karolinska Institutet
	<i>Applying Rna Sequencing And Novel Bioinformatic Approaches To Predict Drug Targets For Tendon Regeneration</i> Angela Montero, Icahn School of Medicine at Mount Sinai
	<i>Loss Of Fkbp10 In Tendons And Ligaments Causes Joint Deformities By Smo-dependent Ectopic Chondrogenesis</i> Joohyun Lim, PhD , Baylor College of Medicine
	<i>Development Of A High Throughput Platform For Evaluation Of Protein Based Therapeutics For Tendon Healing</i> Marguerite Pacheco, BA , Cornell University
	<i>Activated Macrophage And Recruited CD146+ Tendon Stromal Cell Crosstalk Alternately Prevents And Accelerates Functional Loss Of Tendon Core Mechanics In A Hybrid Hydrogel Explant Model Of Tendon Injury</i> Tino Stauber , Balgrist University Hospital
9:45 AM	Meeting Adjourn

How it will work!

- Each of the 5 topics will be covered in 2 breakout rooms by 2 topic leaders for 1 hour.
- Topic leaders will be expected to make an opening statement on their designated topic and then engage the participants in a lively discussion.
- Attendees will have the chance to change topics every 20 minutes by changing breakout rooms.

Cultivating a Collaborative Environment in Your Laboratory**Room Name Abbreviation: Collaborative Environment**

- **Megan Killian, PhD**, University of Michigan
- **Spencer Lake, PhD**, Washington University in St. Louis
- Hazel Screen, PhD, Queen Mary, Univ of London
- **Steve Thomopoulos, PhD**, Columbia University

Formulating Long Term Professional Plans**Room Name Abbreviation: Long Term Plans**

- **Jenna Galloway, PhD**, Massachusetts General Hospital, Harvard Stem Cell Institute
- **Catherine K. Kuo, PhD**, University of Maryland
- **Andrew Kuntz, MD**, Perelman School of Medicine, University of Pennsylvania
- **Lou Soslowsky, PhD**, University of Pennsylvania

Cultivating a Healthy Mentor/Mentee Relationship**Room Name Abbreviation: Mentor/Mentee**

- Evan Flatow, MD, Mt. Sinai West
- **Dianne Little, PhD**, Purdue University
- **Alayna Loiselle, PhD**, University of Rochester Medical Center
- **Nat Dyment, PhD**, University of Pennsylvania

Optimizing Your Training to Be Competitive for FACULTY Positions**Room Name Abbreviation: Faculty Positions**

- **Hani Awad, PhD**, University of Rochester Medical Center
- **Kathe Derwin, PhD**, Cleveland Clinic
- **Ronen Schweitzer, PhD**, Shriners Hospital – Research
- **Jason Shearn, PhD**, University of Cincinnati

Nurturing a Culture of Inclusivity in Your Group**Room Name Abbreviation: Inclusivity**

- **Nelly Andarawis-Puri, PhD**, Cornell University
- **Leesa Galatz, MD**, Mount Sinai Health System
- **Spencer Szczesny, PhD**, Pennsylvania State University
- **Vincent Wang, PhD**, Virginia Tech

Section Scientific Meeting Notes/Takeaways

*This program will be held LIVE via ZOOM (Pacific Time). If you are not able to join us LIVE, these sessions will be recorded and available for viewing.
Names in bold are ORS Tendon Section members. Learn about the Section: <https://www.ors.org/tendon-section>.*

Follow us on Twitter (@ORSSociety) and share why you are attending, post key takeaways, interesting or new information, ask questions about session content, and much more! Use Hashtag: #ORS2021 #ORTendon
