March 2026

ISFR at the ORS 2026 Annual Meeting

Workshop

On Friday, March 27, 2026, ISFR, in collaboration with the Preclinical Models Research Section, is hosting a workshop titled *Addressing Overlooked Variables in Preclinical Fracture Repair Research for Improved Translation*. Pre-registration is required.

Scientific Meeting

Join us on Saturday, March 28 for the ISFR Section Scientific Meeting titled *Innovations and Minimally Invasive Assessment of Bone Repair: From Mechanisms to Medicine*. Pre-registration is required.

ORS ISFR Social

You are invited to an evening of meaningful connections and engaging conversation at our upcoming ISFR Social. Join us on Saturday, March 28, 2026 from 7:30 PM - 9:30 PM at [The Public House](#). Pre-registration is required at the link above.

Discover, Connect, Engage with ISFR

Bring your lunch and join ISFR for an informal networking session on Monday, March 29 from 11:45 AM to 1:00 PM. Open to all ORS attendees, you will have an opportunity to meet with current members, connect with colleagues, and learn how you can get involved in the ISFR community.

Member Spotlight

The ISFR Communications Committee caught up with Aboubacar Wague to learn more about his research and surgical career path. His research *Investigating the Antibacterial Properties of Fibroadipogenic Progenitors and Their Role in Infection Control* was selected as the 2025 winner of the **ORS ISFR 3-Minute Research Pitch Competition**.
