Email of Presenting Author

Disclosures: Kenton Lewis (N), Thomas B. Siegel (3C-ABC Company; 4-ABC Company, XYZ Inc.), Koji L. Fujii (3C-ABC Company), Deepak Kumar (N) (Information for disclosures can be taken from the online abstract system after entering ALL authors.)

Abstract body using the following format: abstract information must not appear on or outside the margins. Abstracts must be created in a Word document formatted to 8.5" x 11" (21.59cm x 27.94cm) with the following margin settings: Top & Bottom 0.75 inch (1.91cm); Left & Right 0.75 inch (1.91cm). Font should be 10 points for the Title and 8 points for all authors, institutions, disclosures, and body sections. Times New Roman is the only font approved for use. (If noting a brand name of a product you used, please do not list the city, state or country.)

INTRODUCTION: The introduction must contain a brief statement of the question, hypothesis, or objective. Please remember the interdisciplinary nature of the Society's membership when writing your abstract. The opening paragraph should be understandable and of interest to both specialist and non-specialist alike.

METHODS: Methods, including statistical techniques; human experiments must note approval of an institutional review board and informed consent and animal experiments must note approval of an institutional review board conforming to the laws and regulations of the country of origin.
If applicable – the author will include sex and sample size. If only one sex is used an appropriate justification must be included in the abstract.

RESULTS SECTION: Essential results, including data, sample size and statistics.

DISCUSSION: Discussion, including limitations and conclusions within the framework of stated question, hypothesis, or objective.

SIGNIFICANCE/CLINICAL RELEVANCE: (1-2 sentences): Please provide context for this study in terms of its significance and clinical relevance in your abstract. Please refer to the NIH guidelines for description of significance:
http://grants.nih.gov/grants/peer/guidelines_general/impact_significance.pdf
<http://grants.nih.gov/grants/peer/critiques/rpg.htm>

REFERENCES: Include references here. (References are Optional)

ACKNOWLEDGEMENTS: Include acknowledgements here. (Acknowledgements are Optional)

(Remember to save abstracts as a PDF before uploading to the submission site.)

IMAGES AND TABLES: Images and tables will appear at the end of the abstract and must be sized to fit within the abstract. Three images and/or tables are allowed per abstract.

To accommodate individuals who are colorblind. Please use the free simulator at <https://pilestone.com/pages/color-blindness-simulator-1>. This will allow you to select colors in your images that are varied enough for someone who is colorblind.

Abstracts should fit 1 page including images/tables.
